26	Not extra fee	Apr 27, 2011 9:16 AM
27	your fee for registering online is excessive. There should be no charge.	Apr 27, 2011 9:04 AM
28	Registering online is self-service, so with that in mind there should be NO service fee associated with that. That seems so wrong.	Apr 26, 2011 10:34 PM
29	NO reg FEE!!!	Apr 26, 2011 10:30 PM
30	Make it easier	Apr 26, 2011 10:25 PM
31	No extra charge would be nice.	Apr 26, 2011 9:59 PM
32	San Mateo does not charge a convenience fee for online registration.	Apr 26, 2011 9:47 PM
33	Info may not be uploaded in timely manner.	Apr 26, 2011 9:37 PM
34	Charging a fee for online booking doesn't make any sense to me. It upsets me every time I make an online booking.	Apr 26, 2011 9:32 PM
35	Online registration fee seems high	Apr 26, 2011 9:19 PM
36	Please drop any service charges.	Apr 26, 2011 9:14 PM
37	I would like to see a concerted effort to install bridge programs beginning and advanced. This is an activity that seniors could enjoy for ever.	Apr 26, 2011 8:59 PM
38	No	Apr 26, 2011 8:31 PM
39	Yes, there was an extra fee to register online which doesn't make sense as it saves you money. So rather than paying extra I registered via fax which was less convenient.	Apr 26, 2011 8:24 PM
40	Do not charge extra for registering on-line. Improve the website by making it more user-friendly, enabling people to find activities easily. See comments in above section.	Apr 26, 2011 8:24 PM
41	Scrolling through a long list to find the right camp/class is confusing. I seem to recall a VERY deceptive ad for magazine subscriptions coming up at the end? Some kind of weird partnership or advertising? I hope I'm remembering wrong, but if that ad/solicitation still comes up, please consider removing it. Quite deceptive.	Apr 26, 2011 8:07 PM
42	No.	Apr 26, 2011 7:32 PM
43	It will be better if they don't charge additional fee for online registration.	Apr 26, 2011 7:27 PM

47	no	Apr 26, 2011 6:03 PM

Q10. Are there any changes that you would like to see made to the online registration process? Please describe.

48	Better organization.	Apr 26, 2011 6:00 PM
49	charging a 'convenience' fee should be cancelled, the web design for the P&R catalogue lacks transparency and the ability to quickly check out (compare San Mateo's and San Carlos' online registration).	Apr 26, 2011 5:30 PM
50	improve search for class. It's cumbersome to look through your on-line version of the catalog	Apr 26, 2011 4:45 PM
51	It is difficult to sort through the class lists.	Apr 26, 2011 4:32 PM
52	no online reg fees	Apr 26, 2011 4:13 PM
53	I tried to sign up once online and it wouldn't accept so I mailed it in. It needs to be easy and dummy proof. I can't remember what the hangup was but maybe it was the payment by credit card that didn't accept.	Apr 26, 2011 3:41 PM
54	Online signup process a little klookey and hard to find	Apr 26, 2011 3:33 PM
55	The time slots on the enrollment screen were difficult to decipher.	Apr 26, 2011 3:31 PM
56	Better sorting and more details on the view. Usually I have to click into the class to some of the specifics that you could move to the summary area	Apr 26, 2011 3:27 PM
57	When I went to the San Carlos location, they did not have any record of folks that had registered through Belmont online.	Apr 26, 2011 3:21 PM
58	If I recall, there is a charge to register online which is unacceptable to me.	Apr 26, 2011 2:41 PM
59	Get rid of the non-refundable fee. We got stuck when a trip we'd signed up for was cancelled by you and you refused to refund the online registration fee. We'll never register online again.	Apr 26, 2011 2:35 PM
60	great for all computer programs	Apr 26, 2011 2:35 PM
61	I believe there is a service fee associated with your on-line reg. That's ridiculous; other cities do not have this.	Apr 26, 2011 2:33 PM
62	First, there should be no additional fee. I understand you contract third-party services to run the website, but the cost should be rolled into other expenses. Charging fees for on-line usage makes the City look very out of touch. In the meantime.... you must be more upfront about the fees. I looked very hard for the cost before I tried registering on-line, and the fact there was a fee was buried--and it doesn't tell you the exact amount. Having it being a percentage that is not calculated until the end is bizarre. I spent 15 minutes trying to register only to find my one class would cost an additional SIX dollars.. at that point I gave up, and in the end went in person to register.	Apr 26, 2011 2:18 PM
63	Stop charging to register online. It's more convenient for people who work to register online. Makes no sense to charge people...	Apr 26, 2011 2:08 PM
64	I don't use it because of the additional cost and I live so close to Parks and Recreation.	Apr 26, 2011 2:01 PM
65	The codes are difficult to differentiate when signing up for swim classes	Apr 26, 2011 1:58 PM

Q10. Are there any changes that you would like to see made to the online registration process? Please describe.

66	no fee charged for registering online	Apr 26, 2011 1:54 PM
67	Automate transferring from one class to another.	Apr 26, 2011 1:51 PM
68	The online sign ups could be improved.	Apr 26, 2011 1:45 PM
69	make it free of processing fees	Apr 26, 2011 1:42 PM
70	It'd be great if you could take PayPal.	Apr 26, 2011 1:40 PM
71	Eliminate fees for paying on-line.	Apr 26, 2011 1:18 PM
72	I do not like Activenet program. I signed up accidently without knowing and very hard to cancel. It cost me more. Will like to see it remove from on line registration.	Apr 26, 2011 1:16 PM
73	Class-time conflicts are not pointed out while registering for multiple classes. Also, refunds should be given for cancellation, rather than credit for future classes.	Apr 26, 2011 1:15 PM
74	Easier navigation. Refund of registration fee if class is canceled.	Apr 26, 2011 1:13 PM
75	I'd like to see a newsletter in an email or mail announcing activities and ways to register. At this points i don't know what programs are offered and how to register	Apr 26, 2011 1:12 PM
76	the online process is abysmal IMHO ;-)... mostly I recall to do with initial registration and a bit better when signing up for classes (sorry don't have specific feedback now - don't recall but happy to provide it if needed .. preferably by showing you!)	Apr 26, 2011 1:00 PM
77	Removal of extra charge for online registration since there is no charge when booking on the phone.	Apr 26, 2011 12:52 PM
78	Not charging a fee. I only did it once and then found out there was a \$10 fee. Never again!	Apr 26, 2011 12:28 PM
79	no fees for online registration	Apr 26, 2011 12:17 PM
80	This may have been corrected now as it is some time since i last signed up. There should be some way of informing that a class has been cancelled due to lack of participants before one arrives at the center. (including one day classes)	Apr 26, 2011 12:16 PM
81	Online registration fee is extremely high! It's just as easy to mail in the paper form or even just drive down to the parks/rec office to register for a class...	Apr 26, 2011 12:16 PM
82	do not show all the credit card numbers in the receipt; instead show **** * 1234	Apr 26, 2011 12:12 PM
83	need to make it easier to search for and find classes...current system a little difficult to use unless you know exactly what you are looking for. also should eliminate any online processing fee.	Apr 26, 2011 12:07 PM

Q10. Are there any changes that you would like to see made to the online registration process? Please describe.

84	My daughter attends BCLC. We currently pay 987.00 per month for her preschool. She will be attending Kindergarden in August and will end her preschool at BCLC at the end of May. Frankly I was very upset with the Belmont Recs Dept when I seen the next years increase for preschool tuition which goes into effect July 1, 2011. In my opinion the NEW tuition rates are not equal to this years. Example 2009-2010 tuition rate for Full Time student is 987.00 for Non Resident and about 967.00 for resident. The 2010-2011 rate is going to be 1095.00 for non residence and under 1000.00 for residence. I think the current deference of 20.00 for non residence to the new deference of about 100.00 properly even based on all your other programs you offer. You should be welcoming non residence business, not penalizing it. I hope my message gets across and not just shredded.	Apr 26, 2011 12:06 PM
85	When I try to buy the class card for Heartbeat Dance Academy, the system tells me that I'm already enrolled, though I am buying a card for a new set of classes.	Apr 26, 2011 11:57 AM
86	Father daughter dance registration should be set up to allow for the possibility that the child has a two Dad family. You are shutting out a lot of families by not offering this option.	Apr 26, 2011 11:56 AM
87	not charging for online registration.	Apr 26, 2011 11:55 AM
88	extra fee for online processing is a negative. to avoid it, i've used fax registration instead. I find out all the info on-line but then fax in the registration. Seems more useful to all if the price was the same with either method	Apr 26, 2011 11:51 AM
89	the registration fees seem high	Apr 26, 2011 11:50 AM
90	I could not find the class that my daughter is currently taking in Belmont	Apr 26, 2011 11:33 AM
91	Do not charge the convenience fee.	Apr 26, 2011 11:30 AM
92	Never made a online registration.	Apr 26, 2011 11:30 AM
93	no	Apr 26, 2011 11:29 AM
94	drop the fee	Apr 26, 2011 11:26 AM
95	None at this time.	Apr 26, 2011 11:24 AM
96	Ease of user navigation	Apr 26, 2011 11:23 AM
97	I sometimes avoid because of the fee. I understand that the company providing the service charges a fee, but doesn't it also cost the city money to hand-endorse and cash checks from people?	Apr 26, 2011 11:20 AM
98	Please remove the fee for online registration.	Apr 26, 2011 11:18 AM
99	The user experience is poor. Programs and activities are hard to find. Navigation is clumsy and cumbersome. And the design is atrocious.	Apr 26, 2011 11:13 AM
100	Lower the service fee	Apr 26, 2011 11:03 AM
101	NA	Apr 26, 2011 10:53 AM
102	I didn't like that there was a \$5 charge for signing up online.	Apr 26, 2011 10:51 AM

Q10. Are there any changes that you would like to see made to the online registration process? Please describe.

103	Better and more attractive user interface. Use a little user experience consulting time on it.	Apr 26, 2011 10:50 AM

64	Middle school age children and teens have extremely limited options to congregate and interact socially. Belmont has invested in a nice senior center, but lacks a community facility that facilitates interactions between families and between middle school age children and teens. San Carlos offers a well-staffed and organized youth center that backs onto a large park/sports facility. I wish we had something similar in Belmont for the Belmont community. Barret Community Center seems very underutilized. It is a fantastic location and could support a community complex that would provide swimming, tennis, gym, cafe, etc. Alternatively, the Belmont Sports complex could be further developed. I wish the Belmont Park and Rec. would seriously consider doing something comprehensive for the younger portion of the community.	Apr 26, 2011 10:50 AM

17	There is no place to make a comment about the picnic area at Twin Pines. Last summer I had my 50th at the big picnic area. I couldn't believe how nice it was. Last time I had a birthday party there was in early 1980s. It was wonderful. I want to do it again. There was something for every age group to do between horse shoes, volleyball, the creek, playground, huge space, lots of tables and BBQ pits. The only hard part was getting everything hauled into the space. We managed with some carts but it was rough going over the rocks. We even got sunny weather with no wind in July! miracle for Belmont. 57	More adult organized sports during the weekthat you can participate without having to sign up as team. Soccer, Tennis	Apr 26, 2011 3:27 PM
58	More variety in adult fitness programs or enter into some kind of joint partnership with San Mateo and/or San Carlos for their classes since they both are larger municipalities than Belmont. I see that this is happening for some of the cooking classes and Children's Theater with San Carlos. It would be a nice to see the same for adult fitness classes. Belmont could work out a deal with these cities so that the charges to those classes would be nominal. Right now, they're more substantial than I like. It could encourage more Belmont adults to participate in exercising and staying healthy.	Apr 26, 2011 3:01 PM

Q18. If a new community center was created at the Barrett site on Ralston Avenue, what features would you like to see? (check all that apply)

1	Please improve the playground you already have if nothing else can be done.	May 2, 2011 10:07 PM
2	multi-purpose for theatre, other uses	Apr 30, 2011 5:03 PM
3	Belmont needs more off leash dog parks. One park for this community is not enough. The existing space is all dirt and not comfortable	Apr 30, 2011 10:00 AM
4	NO DOGS at Barrett. there is already too much dog feces in the front and also on the fields where KIDS play. No Offleash Dogs at Barrett. Here is a real example from AYSO last season: soccer ball to roll over dog feces, throw in, hand in mouth for after game snack, child has worms or virus or worse. Keep Dogs out of kids' play area.	Apr 29, 2011 9:05 AM
5	A swimming pool and/or splash park would be awesome!	Apr 27, 2011 10:10 PM
6	Belmont needs more off leash areas that the residents could walk to locally to conserve gas!!!	Apr 27, 2011 10:00 PM
7	What a fantastic idea to convert the Barrett site to a thriving Belmont Community center!! And in the hub of Belmont. I think a swimming pool would really add to the community - especially since the JJC no longer exists in Belmont.	Apr 27, 2011 9:44 PM
8	Swimming Pool with classes for seniors (so my mom could go).	Apr 27, 2011 7:07 PM
9	Off leash hours for our dog	Apr 27, 2011 5:53 PM
10	don't know where barrett is or anything about it as, until recently, have always worked full-time, but would like to see senior aquatic aerobic exercises offered...	Apr 27, 2011 4:56 PM
11	bocce ball court	Apr 27, 2011 4:39 PM
12	more artist studios	Apr 27, 2011 10:27 AM
13	Off leash times after hours preferred over creating special dog park.	Apr 27, 2011 8:26 AM
14	Love the "Dog Park" idea!	Apr 27, 2011 6:41 AM
15	Music could include digital music / animation, eg. via Digital Monkey Studios...	Apr 26, 2011 10:17 PM
16	Conference capabilities	Apr 26, 2011 9:56 PM
17	Walking/jogging track and an updated, more reasonably priced rental facility for parties, etc., would be a great addition. We'd welcome various after school programs (music, athletics, language) and a skate park would be great as well.	Apr 26, 2011 9:14 PM
18	swimming pool is for sure, the only thing Belmont really lacks.	Apr 26, 2011 8:28 PM
19	Don't need any more tax increase by tearing down the center and rebuilding it with more shops and restaurants.	Apr 26, 2011 8:24 PM
20	A park similar to Beresford Park in San Mateo would be ideal.	Apr 26, 2011 8:22 PM
21	Swimming pool or splash park? How great would that be?!	Apr 26, 2011 8:07 PM

Q18. If a new community center was created at the Barrett site on Ralston Avenue, what features would you like to see? (check all that apply)

22	I've always hoped for a better/more conveniently located neighborhood park with a more comprehensive and age appropriate play structure (twin pines is too far). At a bare minimum a real play structure and a few picnic tables will make this park a much more widely used community area. I've always hoped Barrett could become more like Burton Park with classes and after school activities, the teen center. The dance area is a great start. You could make a lot of money by offering themed birthday parties. Its expensive and a hassle to do the paperwork to rent a class room by the hour.	Apr 26, 2011 7:34 PM
23	Putting Green & Bocce	Apr 26, 2011 6:06 PM
24	Bocce Ball Court	Apr 26, 2011 5:56 PM
25	More dance groups	Apr 26, 2011 5:03 PM
26	Table Tennis	Apr 26, 2011 4:45 PM
27	no opinion	Apr 26, 2011 4:12 PM
28	Wifi for internet	Apr 26, 2011 3:41 PM
29	bacci ball	Apr 26, 2011 3:40 PM
30	This area NEEDS a walking/jogging track!!	Apr 26, 2011 3:10 PM
31	how about a school/classrooms?	Apr 26, 2011 3:05 PM
32	Since I live in the neighborhood, my concern would be the level of noise and congestion from the center's activities. It would be nice if some thought in the architecture be given to redirect the traffic of activities so that the residential area would comprise the quiet zone and the Ralston side could handle the noise zone, as people enter and exit the building. Evening hours need to be restricted to around 10pm. It is important that the residents in the neighborhood be canvassed for their opinion. In the the past we've seen several activities from the center that required police intervention. This is something we would like averted.	Apr 26, 2011 3:01 PM
33	Please please please! Would be so thrilled if a new center could be built. We currently belong to the PJCC and would happily switch to a closer venue.	Apr 26, 2011 2:41 PM
34	What's the "Barrett site"?	Apr 26, 2011 1:40 PM
35	I think Belmont lacks facilities for teenagers, and this need should be addressed as a top priority.	Apr 26, 2011 1:35 PM
36	Barrett needs to be an all weather field, skate park and playground along the lines of Burlingame's Park near the train station. I advocated for this when applying for the Parks and Recreation Commission and did not receive a single vote.	Apr 26, 2011 1:30 PM
37	Definitely a new and upgraded playground for kids and also a large open multi-use space (open fields)	Apr 26, 2011 12:52 PM

Q18. If a new community center was created at the Barrett site on Ralston Avenue, what features would you like to see? (check all that apply)

38	I would be interested in offerings that don't already exist within a few miles. For example, a walking track is great but it's redundant to the one at Carlmont High School around the corner. I would also be interested in a year-round swim center. This is not offered anywhere (unless you want lessons).	Apr 26, 2011 12:43 PM
39	This is not a good time to be considering new facilities. Taxpayers are stretched to their limits. If extra money exists, use it to reduce tax burden.	Apr 26, 2011 12:26 PM
40	More programs for teens after 400pm. Hope you get the new center!	Apr 26, 2011 12:25 PM
41	Please keep this facility youth-oriented in all ways possible. We have a large and growing population of children in Belmont!! We especially need to maintain the use of Barrett's athletic fields for youth sports programs.	Apr 26, 2011 12:16 PM
42	pool would be great!	Apr 26, 2011 12:07 PM
43	We definitely need a swimming pool in Belmont.	Apr 26, 2011 12:06 PM
44	I loved the idea of a dog park !	Apr 26, 2011 11:59 AM
45	It would be nice if the theater space could be updated. It's charming on its own, but with different paint and updated seating, it could feel less like a gym and more like a blackbox theater with stage. The main hallway into the theater and classrooms gets really cramped when large audiences (over 200) come to see shows. Update the theater entrance so that audiences aren't stuck in that dreary hallway. Also better lighting and functional doorways in that hall area would help make the space seem less dated and dreary and help large crowds flow in and out of the space.	Apr 26, 2011 11:52 AM
46	No opinion. I live far from that rec center.	Apr 26, 2011 11:33 AM

21	A year round public pool indoor or outdoor would be a great blessing and I think very, very popular. 45	I'm not sure what a zero entry pool means, but if it's kid friendly, then "yes" to that too. We should be allowed to make more than 1 selection to this question.	Apr 26, 2011 2:41 PM
46	A pool open to children to play in.	Apr 26, 2011 2:40 PM

Q19. If a pool was added to Belmont, what type would you like to see?

66	Outdoor pool with a splash park and lazy river.	Apr 26, 2011 12:06 PM

68	we need a indoor pool in belmont	Apr 26, 2011 11:57 AM

Q19. If a pool was added to Belmont, what type would you like to see?

69	Lap Pool	Apr 26, 2011 11:47 AM
70	needs a dome for winter use, also needs deep end for deep water exercise programs which are critical for people with injuries and middle/senior aged people.	Apr 26, 2011 11:39 AM
